

“Now I’ve got my hearing back I’ve got my daughter back too”

Discover the joy of better hearing

Do you sometimes need to make an effort to hear? Maxi is a personal amplifier that will help you to enjoy the company of your near and dear ones. It brings out the words so you can hear them loud and clear, even when there is a lot going on in the background.

Maxi works both with and without hearing aids, and is just as easy to use around the dinner table as for listening to the radio or TV.
