

Headphones

BE9122

Features

Semi-closed drivers
Clear sound, minimum feedback

Single-sided cord
Tangle-free design

Lightweight and foldable
Easy to bring along

Robust and foldable Headphones.

The stereo Headphones are specially selected for the Bellman & Symfon range of digital speech amplifiers and listening systems. They feature semi-closed drivers and deliver clear sound with very little feedback. The headphones are equipped with a single-sided cord and are robust and user friendly.

In addition, they are lightweight and foldable and fit perfectly in the BE9147 Travel Case.
