

On-Ear Headset

BE9233

Features

Remote-button
With an integrated microphone

Semi-closed drivers
Clear sound with little feedback

Lightweight and foldable
Easy to bring along

Talk and listen undisturbed.

This On-ear Headset is specially designed for the Maxi Pro Personal Amplifier. Connect it to the Maxi Pro unit to listen to music or talk on the phone undisturbed. The headset features semi-closed drivers and delivers clear sound with very little feedback.

Further on, it's equipped with a single-sided cord and a remote-button with a fully integrated microphone.
