

Safe.

**Complete
fire protection
for your home
and family**

- ✓ Smoke detector
- ✓ Alarm clock
- ✓ Bed shaker

Wake up fully rested

Did you know that three out of four fire accidents occur at home? If you have a hearing loss there is always a risk that you will miss the smoke alarm signal in the event of fire.

Bellman & Symfon offers a complete fire safety solution that secures your home and protects the ones you love. It will wake you up immediately in case of fire, providing a relaxed sleep, knowing that you will always be given an early warning.
