

Do you **worry** about your dad at night?

It will help to know he is safe.

Are you worried that your dad won't wake up if the fire alarm goes off? Maybe he is getting older and has trouble even hearing when the doorbell or phone rings.

Now there's a simple solution. It's called Visit and it will awake him immediately if a fire accident should occur. It's an inexpensive insurance that gives both you and your dad a safe and comfortable sleep. With Visit you never have to worry again.
