BE1270

Features

Powerful vibrations
Wakes even heavy sleepers

Anti-slip surface
Stays in place when it vibrates

Safe to use
Operates at low voltage

Long cable, 2 m
Easy to place where you want it

Visit compatible
Works with the Visit receivers

Wakes you with vibrations under the pillow or mattress.

The Bed Shaker from Bellman & Symfon is powerful enough to wake even the heaviest sleeper. Just place it under your mattress or pillow and plug it into your Bellman & Symfon receiver or desktop charger.

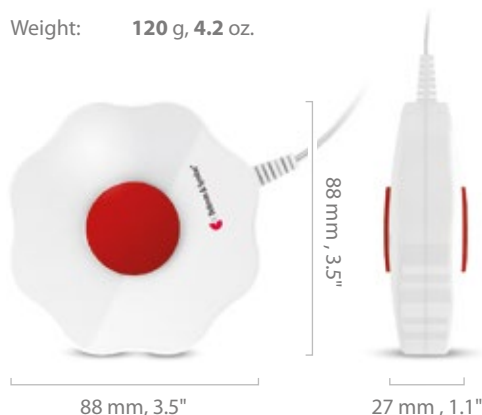

The Bed Shaker produces strong vibrations and requires no internal batteries. It features an anti-slip surface that holds it in place when it vibrates and is equipped with a long cable so you can place it anywhere you want.
